Untergestelle

Transfer and care subframe hts. – made of stainless steel, powder-coated, incl. footplate and 100-mm double castors, height-adjustable. With the transfer and care subframe **hts.**, we provide a further subframe for the Rifton **hts.** shower and toilet chair in order to better fulfil the transfer and care requirements of the user and their assistant. With the help of a pedal on both sides of the subframe the height can be adjusted. The seat can simply be tucked forward and backwards.
