

Instructions: manni. christmas candle

Material list:

- large pillar candle
- coloured waxsheets
- Knives & Scissorscutting
- cutting board

Instructions:

Print out the template and cut it out with scissors. Now you can put the cut out printout on the wax sheet and cut around the shape with with a knife. Now put the wax plate on the candle and press it firmly. The edges can easily be smoothed with a warm finger. If you like, you can make a Father Christmas cap from other colours or decorate the candle with stars etc. for Christmas.
